

Leslie K. Barry, author of Newark Minutemen

Join us **virtually** as Leslie K. Barry shares the history behind the Newark Minutemen during the Great Depression. Learn about the alliance between the mafia and the US government to thwart the rising German-American Nazi Bund. Based on her uncle's experience, the novel takes us into an America ripped apart by economic turmoil through the eyes of a star-crossed love story.

Newark Minutemen: now in production as a major motion picture!
