Next Steps:

1. Amplify peacemakers' voices

Buy a book for someone who needs it. Watch the replay from today. Host a webinar or conversation with your friends. (InterAct can help). Write to media outlets and ask them to interview peacemakers. Send a few names.

2. Show up in person

Travel. Join Maoz, Aziz and so many others inspiring leaders at the People's Peace Summit on April 30 (<https://www.timeisnow.co.il/english>), or later in the year during the olive harvest to support communities on the ground.

3. Support peace financially

Donate to a peace organization—InterAct (iinteract.org) or others doing meaningful, grassroots work such as:
